## THE BODY AND BLOOD OF CHRIST SUNDAY - A

We have all faced times when we have found it difficult to share our faith with others. We may be afraid of being criticized, teased or even losing our job. It is difficult to face these pressures and fears alone. The courage to face them comes only from trust in God’s loving care. In today’s gospel, Jesus sends his disciples on a mission to proclaim his message publicly. He warns them that they will face opposition in the form of difficulties, persecution and humiliations, but tells them not to be afraid. He asks them and us to trust in God’s faithful care and attention. God watches over the sparrow, the cheapest life sold at the market. He has also counted the hairs of our head, knowing whether they are many or few. If he cares for even the smallest details of our lives, he will certainly not abandon anyone who follows the way of Christ. He will give us the strength and courage to defend our faith in Jesus. Jesus is present to us in a special way in this Eucharistic celebration. Let us ask him today for strength and courage to give witness to our faith by our actions, our words and our choices and by the way we live our lives.

**Archdiocese of Toronto - Return to Church – Worship Safe Guidelines**

The standards and recommendations outlined in this document have been developed with expert consultation. Minimum standards are provided which are prudent and in keeping with medical, legal and risk management advice, and

that are, accordingly, to be implemented in all parishes throughout the Archdiocese of Toronto. They are intended to be “best practices” for our Church and for the safety of our parishioners.

While implementing these directives provide no guarantee that viruses such as the Coronavirus COVID-19 will not be contracted, they are the best and most practical measures to ensure the safety of our people.

We recognize that some of the measures contained in these guidelines may feel strange or uncomfortable. However, in these unique days of pandemic, following reasonable restrictions to contain the virus is a matter of faith, charity and justice. We are mindful of the sanctity of every life as we use these guiding principles in our planning:

- *I am my brother’s keeper. We are responsible for others. In justice, as well as charity, we must not recklessly endanger others, or cause their death.*
- *Love your neighbour as yourself.*

Thank you in advance for your assistance in implementing these measures for the health and safety of our community. We also thank the faithful for their patience as we work together in partnership to join once again in prayer.

**Government Notices & Orders**

During this time of pandemic, government orders concerning closing of businesses and public institutions such as churches and church facilities must be observed and obeyed. Nothing in this direction should be construed as over-riding the lawful order of public authorities. Should any public authority request that a church facility be closed due to health and safety concerns, such an order should be complied with and immediately reported to the regional bishop. Communication/Additional Resources Effective and frequent communication will be a key component of parish re-opening plans.
